

Murrayville Community College

Newsletter

From the Principal

It is hard to believe that we are nearly at the end of our first term of 014. Already there has been so much excellent work done by staff and students to ensure that together we are "Striving for Excellence".

Working Bee 9.30am Saturday –

A lot of work has already taken place in the Agriculture area in preparation for the Working bee tomorrow. Peter Sporn with the assistance of Colin Beer, Sonya Inglis and the Year 11/12 Agriculture class, have prepared the concrete pad where our seed/feed silos will be erected. Tanya Thomas and Peter Sporn, with the help of Damon Hebert, have also begun preparing the pad where two of our new rainwater tanks will be placed. There is still much work to be done on Saturday as outlined in the last newsletter, and it would be great if we could have as many parents as possible attending. Please wear old

clothes. A BBQ lunch will be provided for those in attendance.

Parent Teacher interviews –

These were held on Tuesday and Wednesday night this week and were generally well attended. Although this is the main time that is set aside for parents to talk with their child's teachers, we actively encourage ongoing communication between parents and teachers. Parents may make an appointment to meet with their child's teachers at any appropriate time or can contact them via phone or email as well.

School Photos – These were taken again this week. It is great to see one of our ex-students providing such a great service to our school. He always does a wonderful job and I'm really looking forward to seeing the end result when the photos come in next term.

Active After Schools – Next week is the last week of Active After Schools for this term. Thank you to Carley Heintze for running the Hot Shots program as part of Active again this term. I know that the students involved got a lot of enjoyment out of it!! Active will not run in the first week of next term but information about

the nights and programs will be advised then.

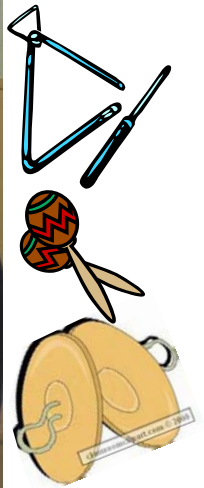

End of Term Assembly

Next Friday the term will conclude at 2:30pm, following an assembly at 2:10pm, where 3/4 and 5/6 students will present musical items. You are invited to attend this assembly. Parents of bus travellers please be aware that students will be home 45 minutes earlier than usual.

Professional Guitar & Keyboard Tuition at School

We have an amazing opportunity to offer professional guitar and keyboard tuition to students starting in Term 2, 2014. The program is run by Music Stars – Australia’s leading provider of school music tuition. Music Stars provides:

- Group guitar and keyboard tuition
- Weekly 30 minute sessions
- Very Affordable! \$110 per term
- End of year reports and certificates
- **Guitars and keyboards supplied for use during lessons**
- Caters for all grades & music levels
- Convenient! Lessons at school!
- 70% less than out-of-school lessons + early bird & family discounts available

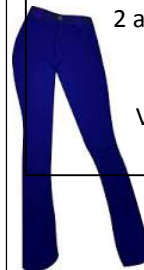

Register online via www.musicstars.com.au Fortnightly and monthly payment options are available. If minimum numbers are not met the program will not be able to run.

If you require more information or would like to discuss the program in more detail please phone 1300 889 179 or email info@musicstars.com.au
