

Murrayville Community College

Newsletter

From the Principal

Welcome Back –

I trust that everyone had an enjoyable break from the routine of school. No doubt this term will fly, just as the previous three have. There is much planned for Term 4, with more camps, revision and exams, bike education, HPV Halloween Dinner and Show, sleepovers and transition. Please keep abreast of this information as it comes out in the newsletter and in notes. The website is always a good place to refer to for newsletter and calendar information. I realise that this is a busy time for parents as well, with harvest and the lead up to Christmas.

HPV –

Congratulations to those students who competed in the HPV 24 hour race in Murray Bridge over the first weekend of the holidays. They should be very proud of their efforts, the kilometres pedalled were incredible. The track was 2.06kms in length and Nick Bridge was our top rider with 92 Laps, this was an amazing 189.52kms. Most of our students covered a distance in excess of 100kms. Congratulations and a huge thank you goes to Eryn and Shilo Wyatt and Brenda, Ken, and Andrew Menzel for the work that they have put in behind the scenes over the whole year and at each race to ensure that the cars and the students were ready.

Pinnaroo Show -

Wednesday was glorious weather for the show. It was great to see so many of our students enjoying the day out. I was also chuffed to see so many of our students exhibiting and

organising the Kitchen Garden entries and to Diane Finn and Michelle Swanborough for their work in setting up the school display.

Natasha
Mudie
Principal

Proud students Amelia and Emma, with one of the show trophies

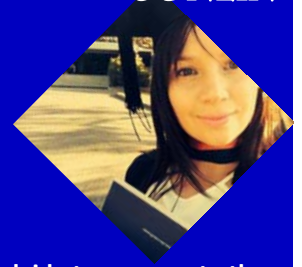

competing in the show this year. Special congratulations to the Kitchen Garden team who were awarded 5 first places and 3 trophies for their vegetable exhibits. The school's display was again a very impressive snapshot showcasing the work done by our students so far this year. Thanks go to Kim Luckman for

WHERE are they now?

**KELSEY
CONLIN**

After I completed my schooling at Murrayville Community College in 2008, I made the big shift to Adelaide to move onto the next chapter of my life - University. I have been very lucky, as from a young age I have always known that I wanted to be a teacher. I was initially accepted into a Bachelor of Arts at Flinders University which I started to undertake. Within the first few weeks I felt very overwhelmed by the transition of moving, finding a part time job and studying full time. I decided that in order to give my best and reach my full potential at University I had to defer for a year and find my feet in the city.

I was lucky enough to gain employment at Basketball SA as a Development Officer. It allowed me to travel to schools and run Aussie Hoops Clinics with primary aged students across Adelaide. It definitely reaffirmed that teaching was the profession that I wanted to pursue. In that year I also completed a Certificate III in Sport and Recreation through Sport SA which was a great way to form new friendships.

By the time 2010 commenced I was eager to start the Uni semester. I transferred into the double degree Bachelor of Education (primary)/Bachelor of Arts at Flinders University, which I graduated from in 2014.

I now teach a Year 5/6 class full time at a Southern Adelaide school where I undertook my final year University placement. Now that I have finished University I'm looking at travelling overseas in 2015.

Going to school at Murrayville gave me lots of opportunities to be involved in leadership positions, such as coaching, sport and being a school captain which has given me the skills to take on many of the challenges that I now face as a teacher.

CANTEEN

Some hot foods are still available,
until supplies are exhausted

AVAILABLE MONDAY-FRIDAY

Wraps / Sandwiches / Rolls

Ham & Cheese or

Chicken & Cheese Hot Rolls

HOT FOODS next week

MONDAY : Pizza

Price \$1.60
