CHANGE OF DATE!

DUE TO UNFORSEEN CIRCUMSTANCES

OPEN DAY WILL NOW BE HELD ON **OCTOBER 14TH**

From the Principal

Changes to Dance Week & Open Day – Due to circumstances beyond our control we have had to postpone the Digital Dance instruction and therefore we have decided to also postpone Open Day. Unfortunately Sue Howard-Denton, our wonderful dance instructor of many years was involved in a car accident at the weekend and although, thankfully not seriously injured, she is not up to spending next week in Murrayville. As the dance presentation is to be the major finale of our Open Day, we have decided to postpone everything until week two of Term 4. **Open Day will now be Friday the 14th of October.** For those people who have arranged work commitments around our previous date, I'm very sorry for the inconvenience.

Slow Food Mildura Grant - I am very pleased to advise that our school is the winner of the major grant of $1,000 from Slow Food Mildura's 2016 Grant round. Slow Food Mildura is a not-for-profit community group run by volunteers which generates funds through annual events and memberships. Amongst others, the group supports food education programs in the Sunraysia region adhering to the "good, clean, fair" philosophy of Slow Food International.

Through our Kitchen Garden program we aim to inspire students to learn life skills which they can take beyond the classroom with the view that this will help them to make healthier choices into the future by forming positive food habits. Our grant application requested funds to purchase infrastructure for the igloo. This includes propagation tables, seed raising benches and a fixed garden bed for students to propagate from both seeds and cuttings. This will enable students to grow a selection of perennial sub-tropical foods to add to their culinary exposure and extend the breadth of the dishes they prepare in their Kitchen Garden cooking lessons.
Mildura Slow Food expressed how impressed they were with our application. They intend to visit the school in the forthcoming weeks, along with representatives of the media, to see our Kitchen Garden program in action. Thank you to Joylene Moyle and Kim Luckman for the time they spent putting this grant application together. Also thank you in advance to Tanya Thomas, Peter Sporn, Kim Luckman, Sonya Inglis and the Agriculture and Kitchen Garden students who will see this project through to fruition.

UDSSA Athletic Sports – All of our P-6 students have travelled to Ouyen today to participate in the annual Underbool & Districts School Sports Association Athletics Sports. I wish all of our participants the very best in all of their events. Thank you to all of the parents and staff attending for their assistance and support. Thank you to Mr Willersdorf for his organisation of the day and for driving the bus.

Natasha Mudie - Principal

ASSEMBLY ON FRIDAY

Next week, there will be an assembly on Friday, at 2pm. Along with other items, Lillian Moyle (Year 9 Music) will be playing her guitar and singing.

BOOK WEEK!

BOOK SWAP!

Thank you to all the students and parents who supported the 2016 Primary Book Swap. Some great titles were available on the day and there were many satisfied swappers. It was wonderful to see so many great preloved books find a new home.
Kim Luckman

TECH STUDIES

The technology area requires old car or truck steel rims for welding projects.
If you can help, please drop rims off at the rear of the tech shed.

Thanks in anticipation, **Theo Magnisalis.**
