Inspiring P.R.I.D.E. • We Value • Persistence Respect Independence Determination Excellence

From the Principal

Open Day –

What a fantastic day Wednesday was. There was a real carnival atmosphere around the school with the presence of the Variety Club Bash cars and vividly dressed participants. The interactions between the “bashers” and the students were fabulous and I know the students thoroughly enjoyed the experience. I was very proud to show our visitors around the school and it was fantastic to have Lexi our school captain to assist me. In every room the fantastic learning opportunities at the school were being showcased by the teachers and students. All students comfortably spoke about their activities and the learning involved. I thought the way the students include and care for each other shone through during the tabloid sports activities. I want to especially thank Mrs Chaplin and Mrs Parker for their outstanding organisation of the day, this was the culmination of many hours of preparation over a number of weeks.

Debutante Ball –

In conjunction with the School Council we have decided to hold a Deb ball in 2018. The ball will be for next year’s Year 10, 11 and 12

students and will be held on **Saturday March 3rd**. The students will be trained in the week prior by Sue Howard Denton. All students in Years 9, 10 & 11 will receive a letter next week and a meeting will be called shortly after that to begin the initial planning for this event.

Bus timetables -

With the wet weather that we have had recently our buses that are travelling on rubble roads are required to travel significantly slower for safety reasons. It is important that they are not required to wait at stops for their passengers. Students should be at the bus stop 5 minutes prior to the timetabled time, the time at which the bus should be leaving the stop. If your child is not going to be travelling on the bus, the driver must be notified at least 20 minutes prior to pick up time, however the night before is preferable. Please be considerate of all bus users and adhere to these guidelines.

University Open Days –

These are being held for all Adelaide Universities over this weekend. Some Year 10s and 11s attended Flinders Uni Open Day today. If you are in Adelaide over the weekend I would encourage parents to attend with their children. Flinders has a second day on Saturday and Uni SA and Adelaide Uni Open days are Sunday. The residential colleges are also open over the weekend. Please check the websites for detailed information and timetables.

Natasha Mudie
Principal
