Our Year 5/6 group has spent this week at Sovereign Hill in Ballarat where their activities have included the 'Blood on the Southern Cross' sound and light show, a tour of the Ballarat observatory, visiting the Secret Chamber mine, and a session at the Ragged School.

They are pictured here dressed in costume for their time at the school - a bit different to their Murrayville uniform!

More photos are included on page 3, and students will write reports for next week's newsletter.

## School procedures for the bushfire season

(continued from last week)

For those of us living in a bushfire prone area, the CFA advise that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, we updated and completed our Emergency Management Plan.

### What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- Ensure the school has your current contact details, including your mobile phone numbers.
- Keep in touch with us by reading our newsletters, by checking our website [www.murrayvillecc.vic.edu.au](http://www.murrayvillecc.vic.edu.au) and by talking to your child's teacher or any other member of the teaching staff about our emergency management plan.

Most importantly at this time of year, if you're planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.

If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.

You can access more information about children's services closures on the Department of Education and Early Childhood Development website – <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>

For up-to-date information on this year's fire season, visit the CFA website at [www.cfa.vic.gov.au](http://www.cfa.vic.gov.au)

or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.
