Inspiring P.R.I.D.E. • We Value • Persistence Respect Independence Determination Excellence

From the Principal

Open Day –

Just a reminder to all that it is Open Day next Friday. Please join us for morning tea, followed by tours and open classrooms (including the Year 8 Medieval Feast). A BBQ lunch will be provided (we ask for a gold coin donation to assist cover the cost of this) and our final assembly for the year will include award distributions, choir performances and a digital technologies presentation. We would love to see you.

Sonya Ryan visit -

Thanks to our Chaplains Barb and Paul, we have organised to have Sonya Ryan come to speak to our students and parents on Monday 23rd of July. There will be a two-hour session between recess and lunch for students in Years 8–12, around online safety and healthy relationships, then a one hour session on online safety for Years 5-7, followed by a parents only session from 4pm to 6pm. A consent form has come home with all students from Years 5-12 and these need to be returned for the students to attend these sessions. We are fortunate that these sessions have been fully paid for by the federal government and I urge all families to take full advantage of the opportunity to hear these powerful messages.

Mobile Phone use at School –

This has been very topical in the media recently. Our school has a mobile phone policy that allows students to use their phones, only when

granted permission by a teacher. As mobile phones become more commonplace with younger and younger students, it may be timely to canvas parents, staff and students views on the use of mobile phones at MCC. This was discussed at length at yesterday's Parents Club meeting. I will endeavour to have a survey out to parents early next term to seek your views, prior to the review of our Mobile phone policy at the School Council meeting on the 20th of August.

Murrayville Wetlands & Pine Hill Walking Trails -

MCC prides itself on making links and partnerships with our local community wherever we can. Last year our Duke of Edinburgh Award students carried out their service by cleaning up rubbish and doing restoration works on the walking trails, this year our VCAL students have continued some of this work through their Personal Development unit and our new Duke of Edinburgh students will continue it next semester. The Murrayville Wetland and Walking Trails group is conducting a community walk, for everyone young and old to join them on Sunday, to get to know the Pine Hill Walking Trails. If you haven't been out there before, or for a while, grab a water bottle and a camera and meet the group in the Pine Hill carpark on the Murrayville North Road at 11am. Get back to nature and enjoy soup and a cuppa after your walk (12.30pm in the Pine Hill carpark).

A mistake is simply another way of doing things

We acknowledge the Aboriginal and Torres Strait Islander peoples, the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.
