Inspiring P.R.I.D.E. • We Value • Persistence Respect Independence Determination Excellence

From the Principal

Swimming Sports –

We had a perfect day for our House Swimming Sports on Friday and it was awesome to see our students all competing to the best of their

abilities and supporting each other regardless of their placing. Congratulations to all students on their demonstration of our PRIDE values throughout the whole event. Special congratulations to Lowan who were the overall winners on the day, to our Age group champions and runners-up and to those who broke records on the day. I would like to thank all parents & families for coming out and supporting our students throughout the day and a special thank you to those who donned their togs and participated in the novelty relays at the end of the afternoon's program. I would also like to thank Josh Willersdorf for his fabulous organisation of the event, the parents club for making sandwiches and cakes available and working in the canteen, Paul and Barb for their work in the canteen and on the BBQ. It was a very enjoyable day, with fantastic atmosphere, well done everyone.

Policy Review -

We are working to a tight deadline to review all of our policies prior to the whole school review in Term 2. There will be a number of policies in draft format available on the website this week, prior to Monday's council meeting. Feel free to provide input or comment on any of these drafts and this will be considered at the meeting, prior to ratification.

College Council Elections -

Just a reminder that council elections are due to be held in March, I would like to encourage current councillors to renominate and for other parents to consider nominating for college council.

Student Arrivals –

Parents please note that teachers commence the first duty of the day at 8.40am. Students should not be arriving at school before this time as they are technically unsupervised. If they arrive at 8.40am this allows them 15 minutes to unpack their bag, order lunch and prepare for their first class.

Student Bus Travel –

A letter went home to all bus families this week, thank you to those families who have returned their slips. **There is room on all buses for occasional travellers. We request that parents of primary students inform the front office by phone, SMS or email, if their child is travelling as an occasional traveller. Secondary students can inform the front office or the bus duty teacher/s themselves.**

UDSSA Swimming –

Good luck to all of our 3-6 students who have been selected to swim at Ouyen on Friday in the Underbool and District Swimming Sports.

Natasha Mudie Principal

Congratulations to all of our students who participated in the House Swimming Carnival last Friday. It was a sensational day with a fantastic crowd and awesome atmosphere.

The selected Primary students will go on to compete in the UDSSA event in Ouyen this Friday, and the selected Secondary students event is on Tuesday the 5th of March in Mildura.

The Primary note for this event will be going out today to all of the Grade 5/6s and must be returned by Wednesday the 20th of February please. The Secondary note will be going out early next week and will need to be returned by the end of the week. If you have any questions about this please call the school or myself, my number is on the notes that are being sent out. *Josh Willersdorf*

Half the things that people do not succeed in are through fear of making the attempt

We acknowledge the Aboriginal and Torres Strait Islander peoples, the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.

Start an apprenticeship with Australia's leading water solutions and irrigation business

The **Ruralco Water Group** is a National Leader in the field of water management in Australia, providing a broad range of markets with innovative and sustainable water management solutions operating under brands which include Hall Irrigation at Lameroo. The agriculture sector is the fastest growing industry in Australia so securing an apprenticeship within our large and diverse business is securing your future. Currently there is an opportunity to apply for an apprentice as a Fitter at Lameroo. If you have an interest in automation, solar, hydraulics, pumps or precision farming together with an eagerness to learn new skills, enjoy physical work and different challenges each day then they'd like to hear from you. They are seeking applicants who are serious about completing an apprenticeship, and are passionate about their trade leading to fantastic long term career prospects. As part of an apprenticeship you'll be paid to receive on-the-job training in a real workplace while completing a Vocational qualification at Certificate level to become fully qualified.
