## **House Athletics –**

Due to the fact, we could not hold the House Athletics as a whole school event this year, the students completed all of their athletics events during lunchtimes, PE and Sport over the past few weeks. Firstly, congratulations to all of our competitors for your positive attitude towards all of the events. Secondly, congratulations to all of our winners, place getters, individual champions and runners up. Thirdly, congratulations to those students who broke records and those Primary students who almost achieved the maximum of 21 points. Thanks again to Mr Willersdorf for organising the events to run and those staff that assisted with timing, measuring etc.

## **Remembrance Day –**

Wednesday marked the 102<sup>nd</sup> anniversary of the Armistice, which ended World War I in 1918. We marked this event with a small ceremony run by our Year 9 students. A highlight of the service was the World War II story of a soldier and young lady member of the Cheer-up society who met at Murray Bridge. A wreath that was comprised of a poppy made by each student at school was laid at the flagpole. Thank you to Mrs Wells for her organisation of the wreath and the service and thank you also to Mrs Pritchard for her rendition of 'The Last Post' and the 'Rouse' on the trumpet.

## **Thunderstorm Asthma –**

Wednesday was also our first day of high risk for thunderstorm asthma. To minimise the risk to students with asthma, we have made a decision that these students will not be able to play outside at lunchtime and recess on those days, they also will not be able to participate in PE or Sport lessons outside. Thankfully, these days are very irregular and only occur at this time of year.

The primary students thanked and celebrated Jessica Allan on Friday afternoon with an engaging nature play/creation afternoon. Jessica has volunteered as well as completed her third year University placement in the primary sector this year. We all thank her very much for the dedication, passion and care she has shown to the students and her craft this year. We wish her all the best in her final year of study in 2021 and hope to see her back in the future.
