

From the Principal

Athletics –

Congratulations to all competitors in the House Athletics on Thursday. What a wonderful day we ended up having after the early sprinkles of rain. Special congratulations to Lowan on a very close win and to all of the students who won events, broke records and qualified for Mallee Division Athletics next Wednesday.

Thank you to all of the spectators that came out to support the students, it was fantastic to have you back.

The P-6 UDSSA (Underbool & District School Sports Association) Athletics carnival will be held in Ouyen this Friday, good luck to all of our students for this event.

Finally thank you to Mr Willison and Mr Watson for their work in setting up for Thursday and preparing the students to compete so well in all of their events and to all parents who donated food on the day.

Senior Formal –

Friday night was a great success! It was wonderful to see our current and past students and their friends having an awesome time, catching up, laughing and dancing the night away. Well done to the Prefects who took on the organization and set up for the evening. Now they know what to do, they will be able to organise a social for the rest of the students a little bit later in the year. A big thank you to those staff who stayed out on Friday night and supervised, and to those parents who donated cakes and slices!

Year 2,3,4 Camp to Wellington –

Earlier in the month the Year 2,3,4 students attended their camp to the El Shaddai campsite in Wellington. The students had good weather to participate in a range of adventure activities and had a wonderful time! Thank you to Mrs Willison & Mrs Andrews for attending the camp and to Mrs Inglis who drove the bus.

2022 CBCA BOOK WEEK
DREAMING
WITH EYES OPEN...

Book Week -

Primary students are gearing up for their special morning on Thursday when they are invited to come to school dressed as their favourite book character and bring a copy or picture of the book with them. They will have a parade and assembly at 9am and parents are invited to attend. Activities focused on some of this year's short listed books will run throughout the morning.

A reminder also that the Book Fair in the Library will continue until September 1st. Many students and parents have already checked this out and taken home a wide range of books and miscellaneous items.

Natasha Mudie - Principal

The Prep students enjoyed a trip to Pinnaroo Primary School on Friday the 12th of August to see an Arts Council Performance called Didjeribone. Students moved and grooved to the indigenous music and smiled and laughed along with the different sound effects and stories.

Thank you to PPS for inviting us and Principal Caroline White for hosting us on Friday as well as Mr Mudie for driving us there and back – the students loved it!

WELL DONE

2,3,4 camp at El Shaddai

Our camp was full of activities that we had not tried before. One of the best bits was getting a bullseye in archery. I enjoyed being the first person to have a turn on the giant swing. Knowing I was the first person made me feel exhilarated and I was not nervous. The lasagna was very good but the showers were a bit tricky to get the right temperature.
Isaac Daniel

On the camp we got to do lots of activities. My favourite activity was the giant swing because you were 10 metres high in the sky. I also liked archery. It was very fun and challenging, I nearly hit the bullseye.

We also got to watch two movies: Dennis the Menace and Daddy Day Care.

In our free time we got to play pool, air hockey, go on the flying fox and the tarzan swing. It was an excellent camp.

Cornelius Du Preez

At camp I had the most fabulous time ever. My favourite activity was the giant swing, because it went really high. The maximum height was ten metres high and it was amazing. After that I had really good food for dinner, it was lasagna and salad for the first night, teriyaki chicken and rice the second. I loved low ropes because it was an obstacle course with different things.
Charlie Schroeder

On the camp we did a lot of fun games and also Hudson brought his ipad and I brought my nintendo switch. I was in a cabin with Billy, X man, Cornelius and also P man. My favourite things were lazer tag and the flying fox. On the first night we stayed up really, really late - later than normal. On the way home we went across the ferry and then after two hours we dropped Corn and Mrs Andrews, Scarlett, Isaac, Chloe and X man in Pinnaroo.

Parker Edwards

On camp I liked the very last lesson which was about Reptiles. I liked when I held the turtle and snake, which was a Murray Darling Carpet python.

Xenophon Du Preez

My three favourite things about camp were the food, lazer tag and the giant swing. Firstly, the food was the best, especially the pizza. Lazer tag was the second best because I was really good at shooting. Lastly was the giant swing!!! I went ten metres high. It was so so so fun! My roommates were Cornelius and Xenophon for a little bit. I had Billy and Parker full time. I would give this camp ten out of ten.

Patrick Wyatt

2,3,4 camp at El Shaddai

On camp we played some laser tag and the big swing was so fun and also scary. My favourite food was lasagna for dinner, I was so tired.

The next day I did some rock climbing and we watched a reptile talk and we were able to hold a little turtle and snake. All the activities were super dooper fun.

Hailee Sutcliffe

I liked laser tag because it was fun and I loved working as a team. On my team there was Parker, Patrick, Xenophon, Charlie and myself. The first time we lost but the next time we won. I wish we could stay forever and ever!

Chloe Palmer

Reptiles were epic and in reptiles lesson I got to hold a massive Murray Darling Carpet Python, a blue tongue lizard called Bruce and a bearded dragon called Skids.

I also loved the giant swing because it was high and scary.

On camp we did archery and got to shoot at targets. Then we did laser tag and I loved it because we got to shoot people with lasers. I also got to sleep in a cabin with Chloe and Hailee. We also went on the Giant swing which was so,so,so much fun.

Then we did rock climbing and I got to the top of it. We had free time and I went on the flying fox. Then we saw the reptiles and I saw a snake called Montie and a turtle, Squirt, which was very cute.

Then we left El Shaddai.

Scarlett Berlin

When I was on camp my favourite activities were reptiles and laser tag. I loved the laser tag because there were obstacles to hide behind and the guns were like real guns. The reptiles were cool animals like snakes, frill neck lizards and turtles. It was the most fun thing I have ever done.

Hudson Crane

On Monday the 8th of August, 11 enthusiastic students, accompanied by Mrs Andrews and myself left to go to Wellington, to undertake 3 adventurous days at El Shaddai camp.

We were extremely lucky, with perfect weather on the first 2 days and even had 3 qualified instructors at most of our activities. The students participated in archery, rock climbing, a vertical crate challenge, laser tag, reptiles, kingdom conquer (huge sling shots), a low ropes course and a giant swing, that was 10 metres above the ground. They loved all activities and there were numerous favourites amongst the students. However, the laser tag was a huge hit and they were lucky enough to be able to have a second turn at this on Tuesday.

The food was amazing! There was plenty of it and it tasted great. The students were very impressed by it and each morning they were eager to see what was on the menu. During their free time the students spent time playing on the flying fox, tarzan swing, playing king size chess, celebrity heads, watching movies and by day 3 were happy to sit and relax.

I was extremely proud of our students' attitudes and behaviour. They all challenged themselves and took a step further out of their comfort zone to reach new goals.

Overall, it was a fantastic camp, that we all thoroughly enjoyed.

A special thank you to Brett Mudie and Sonya Inglis for driving the bus for us.

House Athletics - Thursday 18th August

ATHLETICS REPORT 2022

I think it is pretty safe to say that we dodged the proverbial bullet with the weather on Thursday, as the students took part in the 2022 MCC Athletics Carnival. It was great to see so many parents, grandparents and special friends in attendance after a hiatus of crowds for a couple of years. The level of competition was excellent for the students who worked their way around the various events. Right from the littlest of students to the biggest, you could see the enjoyment with the way they approached each activity and encouraged their house and teammates. The competition was extremely close throughout the day, hence the tiny winning margin at the end of the Carnival. During the day, and during the week leading up to Carnival, there were 5 records broken. A wonderful effort by those students. They are listed in the table below.

Name	Age and Event	New Record (Previous Record)
Liam Wisneske	14 and Under Boys 1500m	5.06.55mins (5.13.59)

House Athletics

And last but certainly not least the Overall Winner of the MCC House Athletics Carnival was **LOWAN – 2027 POINTS** **WINJEEL – 2017 POINTS**

A massive thanks to all the staff for their hard work throughout the day running each of the events and doing the work behind the scenes. A special mention goes out to Mr Peter Sporn for the many hours he spent marking the oval, mowing and spraying. We have a handful of students from here that have now qualified for the combined MMM team that will compete at the Mallee Division Athletics to be held in Ouyen and we wish them all the best. The Primary Students will move onto the UDSSA Carnival to be held this coming Friday, and we also wish them well.

We are taking part in Jeans for Genes in 2022 on **Wednesday August 31st**.

We encourage everyone to join us - wear your jeans or denim, and donate to raise money to help find treatments and cures for kids with genetic diseases.

All money raised funds the vital work being done in the labs at Children's Medical Research Institute to help the 1 in 20 children living with a genetic disease or birth defect.

Over the course of August, we have also been skipping every day at lunchtime, as part of the challenge for the month, to raise awareness of the charity. SRC and the Prefects have supervised this and encourage everyone to join in. They will be awarding certificates at the end of the month for those who skip every day as part of the challenge.
