

Murrayville Community College Study Policy

Rationale

The most successful students are those who develop independent study habits. They practise important skills, revise content thoroughly and regularly and take responsibility for their own learning. Homework benefits students by complementing classroom learning, fostering good study habits and providing an opportunity for students to be responsible for their own learning.

It is an expectation that all students regularly complete study outside of school to be prepared for success in their studies.

Aims

The role of study in the education process is:

- (a) To practise specific practical and thinking skills learnt at school
- (b) To improve literacy and mathematical fluency
- (c) To broaden student knowledge through current affairs
- (d) To hasten student progress
- (e) To develop effective revision skills
- (f) To reinforce self-discipline and personal organisational skills

Implementation

Parents, teachers and students take responsibility for ensuring adequate time needs to be available for the completion of study.

A suggested average time for each year level to assist staff and students with their planning is:

P-1	15 minutes per weekday
2-3	20 minutes per weekday
4-6	½ hour per weekday
7-8	¾ hour per weekday
9	1 hour per weekday
10	1½ hours per weekday
11	10+ hours per week
12	15+ hours per week for VCE students

Vocational Major students may need to complete theory work at home and catch up work missed due to Work Placement – hours will vary

Instrumental Music students – approximately 1 hour of practice across the week

Term break study

At Murrayville Community College there is an expectation that senior students (Years 10-12) will continue to practise skills, consolidate content, prepare for forthcoming studies and complete essential work missed due to absence during term breaks. Students completing Year 10 may be required to complete pre-reading or preparatory work for commencement of VCE during the summer break. Year 12 students who do not complete term break tasks may have access to the Year 12 room denied.

Students from Years Prep to 9 are encouraged to read for pleasure during term breaks. Parents of students in Years Prep to 9 may request other work to catch-up or further develop skills and understanding. This task needs to be negotiated with the individual student's teachers and requests need to be made no later than 2 weeks prior to the end of term to allow teachers time to prepare this work.
