From the Principal

ANZAC Day –
ANZAC Day is a special day in our communities and it was wonderful to be able to attend celebrations in both Pinnaroo and Murrayville.
Our Prefects were involved in the services along our Mallee track. Alana and Mia laid the wreath for the school at the Pinnaroo service, Zhoe and Brooklyn participated in the Murrayville service by reading the poem in Flanders Fields and raising the flag in addition to laying the school wreath. Frankie Gloster also completed a reading at the Underbool service.

Secondary Parent teacher Interviews –
I was thrilled with the attendance of parents, caregivers and students on Monday evening at our interviews. Thank you to both parents and caregivers, teachers and students for taking the time to meet and discuss the learning that is happening at school. Parents and caregivers had the opportunity to see the students' learning and achievement records and discuss the students' results with their teachers.

Charlton Pre-Driver Education -
This week our Year 10 students joined with the Manangatang Year 10 students to complete their pre-driver education sessions in Charlton. The students were fully engaged in all of the sessions about safe driving and thoroughly enjoyed the practical driving experience on the specially designed track. Thank you to John Harley, Brett Schofield and the team of instructors at the centre as well as the Charlton Football Club who allowed us to camp in their clubrooms and use their fabulous facilities.

Student Free Day –
Just a quick reminder that this Monday the 5th of May is a Student Free Day. Teachers will be using this day to upskill further on the use of Compass so that we can shortly invite parents to use this platform. We will also be doing further work as a whole staff on our whole school priority of implementing The Writing Revolution across the school.

Koorie Education Support Officer (KESO) Visit –
Our KESO Michael Harradine and fellow KESO's Tahnaya Hunt and Simone Spencer will be running an Aboriginal Art session with our primary students next Wednesday. Students will be examining some Aboriginal artefacts before creating artworks of their own.

Pride makes us artificial and humility makes us real

We acknowledge the Aboriginal and Torres Strait Islander peoples, the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.
