MURRAYVILLE COMMUNITY COLLEGE NEWSLETTER

Persistence Respect Independence Determination Excellence

From the Principal

Mallee Division Cross Country –
On Wednesday we had 13 secondary students travel to Ouyen with Mr Willison & Mrs Morzer-Bruyns to compete at interschool level. Congratulations to all competitors as they all ran with persistence and determination. As a school we placed 2nd overall, which is a great effort. Special congratulations to Zhoe Willison, Reece Walker and Ingrid Oster on their 1st, 2nd and 3rd placings in their respective events.

House Cross Country –
Next Wednesday we will be holding our House Cross Country at the Murrayville Recreation Reserve from 9.00am. We will be kicking off with the senior boys 5km event at about 9.10am followed by our various Primary events and the secondary 3km. We ask that students come to school in their sports clothes and ready to run. Secondary students will be able to change back into their proper uniform at the end of the event. We would love to see as many parents as can make it to support the students.

Arts Council performances –
This must be the season for travelling performances. We had an improvisation interactive performance for Preps to Year 9s on Thursday and next Thursday there are two performances for primary students "Cyberwise" and "Dance for the fun of it". Please check the next flyer for photos.

Building works –
Although there doesn't seem to be much happening with the building works at the moment, there has been a lot of electrical and plumbing work going on inside the building. A large portion of the school has been re-wired and the moving of toilets etc has required a lot of work chasing new drainage into the existing slab. There is also external drainage work going on to ensure that if it ever rains properly again stormwater won't pose any issues.

Attitudes to School Survey –
This is an annual survey that is conducted with students from Years 4 – 12. Students are invited to answer a range of validated questions about their learning and wellbeing at school. The surveys are completed in class time and students have the option of skipping any questions they prefer not to answer. Results are anonymous and they help to inform us about the impact of the learning and well-being programs in place and help us identify any patterns or areas of concern. These surveys are optional, so if for some reason you do not want your child to complete the survey please email the school before Friday 23rd of May. Our students will complete the survey between 26th of May and 13th of June.

Natasha Mudie
Principal

https://www.walk.com.au/WSTSD/

National Walk Safely to School Day (WSTSD) is an annual event when all Primary School children will be encouraged to walk and commute safely to school. It is a Community Event seeking to promote Road Safety, Health, Public Transport and the Environment

P-1 Art students have been working on Mother's Day or Special Person's Day gifts. Using student hand and foot prints, they created a garden scene. They also made a card and painted a mini canvas.
Students also decorated a recycled paper bag in which to store their items.

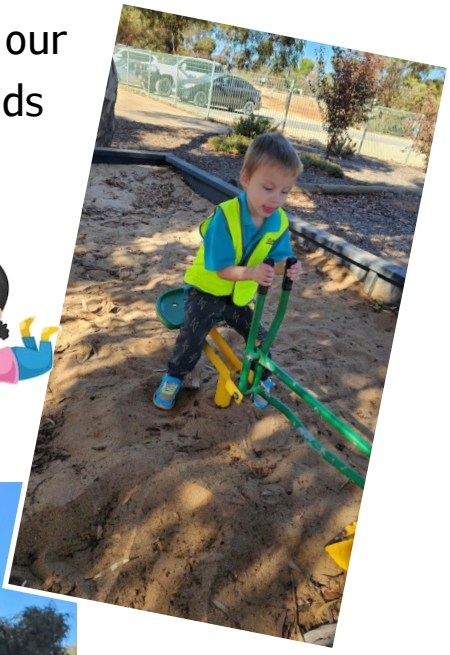
to be purchased at the canteen -
not delivered with primary orders

A visit from our Kindy friends



We loved having our friends from kindy visit us. Their older buddies gave them a school tour, they played together on the playground, and they exchanged a letter/picture. We are looking forward to their next visit and welcoming them as Preps in 2026.

The future belongs to those who prepare for it today

We acknowledge the Aboriginal and Torres Strait Islander peoples, the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.

ACTION AT OUYEN IN THE CROSS COUNTRY
