MURRAYVILLE COMMUNITY COLLEGE NEWSLETTER

Persistence Respect Independence Determination Excellence

From the Principal

Welcome back –
I hope everyone had an enjoyable and relaxing break over the holidays and even for those who didn't travel I hope you enjoyed some family time away from the routines of school. We have a short but very busy term ahead. We will continue our commitment to creating a positive, inclusive, and engaging environment where every student feels supported to do their best. Our teachers have been working hard to prepare exciting lessons, meaningful activities, and opportunities for each learner to thrive. I encourage all students to set goals, embrace challenges, and approach each day with curiosity and confidence.

Building works update –
The builders were very busy over the holidays and the front of the school is really beginning to take shape! Plasterboard and acoustic ceilings were completed in the Admin, G area classrooms, new sickbay and staff toilets. These areas are currently being painted. New acoustic ceilings were also installed in the Lab, Science and Senior Science rooms. These look great! Asbestos was successfully removed from the G areas, Year 12 room and the Gym. The old vinyl floor of the Gym was removed and the concrete floor ground and prepared for the new surface to go in. We expect that this will be installed in about a fortnight. New hardwood decking was installed on the west side of the Primary School. At the front of the school, the old pergola outside the staff room has been demolished and construction of the new air lock at the front door is almost complete. Unfortunately, installation of the new primary toilets has been put back until the next holidays due to the toilet module not quite being ready to be released from the manufacturer on time. Work continued on the preparation works for the new netball and basketball courts, the asphalting will now be done next week due to the weather this week. This has meant that we cannot access the staff carpark, or drive through the loop in front of the school as there is asphalting that needs to be done here too. The buses have been dropping off and picking up at the Oval and the North lawn. This has worked well this week, but please be mindful when driving up to school. I anticipate that everything will be back to normal next week.

Blue Tree Project –
The Blue Tree Project people will be in Murrayville next Thursday. They will visit the school for a special morning tea and to talk with secondary students around mental health and suicide prevention. Secondary students will then be involved in painting a dead tree located down near the Ag shed.
I encourage those who can, to support the Community tree painting and Quiz night.

Before anything else, preparation is the key to success

We acknowledge the Aboriginal and Torres Strait Islander peoples, the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.

Winter Season Soccer Competition Finals

The Winter lunchtime Soccer competition came to a conclusion in the last week of term 2. In a shock result, this season's Individual Champion was former runner-up Reece Walker (79 points), followed by 2 time winner Christo Charm (78) with Mr Brown (72), Lachlan Nuske (69) and Kai Lloyde (67) making up the top 5. Christo won the Golden Boot for the third consecutive time scoring 30 goals in 40 games, with Reece Walker,second (13 from 27) and Nate Cowley third (18 from 40).
In the Golden Gloves contest Izzie Kelly recovered from a shaky start to the season to win her third medallion by conceding 23 goals in 25 matches, followed by Chase Westphalen (43 in 32) and Lachlan Nuske (4 in 9). Goal of the season went to Chase W who scored not 1, but 2 worldies from past the half-way line. The Finals consisted of a 3 team Double Round Robin with the top 2 teams playing off in the Grand Final. After six closely fought matches, Pasito - Reece (Cpt), Chase W, Xavier P, Jack B, Seth W, Phoenix M and Ryder L finished with 1 point, solid in defence but lacking fire-power up front. Rovers - Lachlan N (Cpt), Mr Brown, Nate C, Mr Finn, Izzie K, Brodie M and Ollie B surprised to emerge undefeated with 9 points and United - Christo C (Cpt), Jack M, Kai L, Tyson N, Isaac D, Sharlene S and Charlie S also finished with 9 as the only team to score more than once in a game. In the Grand Final, Chase W was called in to substitute for the absent Brodie M under the 'lower ranking sub' rule. Rovers got off to a flyer with an opportunistic strike from Mr (Optimus) Finn, followed by an emphatic left foot drive from Nate C. Rovers were awarded a penalty late in the match which Captain Nuske duly converted. United snatched a late consolation goal through Christo C to finish the match 3-1. Congratulations to Rovers and especially Captain Nuske who claims his first win as Captain. Golden Boot for the Finals went to Mr. (Optimus) Finn (3 goals), Golden Gloves (Izzie Kelly) who only conceded 2 goals in 5 games and MVP (Lachlan N) whose selfless dedication, inspirational speeches and intense work rate made all the difference. Thankyou to all who participated and we look forward to the Spring Season starting in Term 3.
