MURRAYVILLE COMMUNITY COLLEGE NEWSLETTER

From the Principal …

Thank you –
A big thank you to Sonya Inglis and the rest of the staff for very effectively holding the fort for me in the first two weeks of term, whilst I was on leave. It was a refreshing break and it was great to return and have everything running smoothly. It is great to be back!

Mallee Division Cross Country –
This event was held in Ouyen on Wednesday, with Nate, Christo, Xavier, Reece and Isaac Daniel representing Murrayville. Well done to all of these boys and special congratulations to Reece and Isaac who have qualified for the Regional Cross Country event in St Arnaud early next month.

Adelaide Excursion -
Yesterday we took a number of students to Adelaide for an excursion to cover some of their curriculum requirements. The Year 7/8 students visited the South Australian Museum and the Aboriginal Cultures exhibit in particular, to give them experiential learning in relation to their *First Australians* history unit. The Year 12 Australian History students were also able to connect many of the exhibits to the key knowledge that they are covering in their studies. Miss Jones also took the VCE Art making and exhibiting students to the South Australian Art Gallery. They were not only able to observe some very famous Australian and international artworks, but they were able to observe the exhibiting techniques, which they are required to show a strong understanding of. Thank you to Mrs Tiller for her overall organization of the trip, Miss Jones for her input and Miss Grant for driving the bus.

Lunchtime Activities –
This semester we have been trialing extended lunchtimes to allow for a number of activities. This term we have Senior and Junior Netball, Soccer twice a week, SRC & Prefect meetings or a Secondary Assembly, Human Powered Vehicle Training, Chess club, Book Club, Minecraft club. We have also purchased a pool table for student use at break times and this has definitely been a hit with the students.

Scott BMX Trick Bike Show –
The Primary students were treated to this unique performance today – photos will be available in the next flyer.

Ag Excursion to McPiggery –
Next Wednesday our Ag students will be travelling to Kulkami (out of Lameroo) to visit McPiggery and learn more about intensive animal production in the Mallee. Thank you to McPiggery for offering our students this opportunity.

We acknowledge the Aboriginal and Torres Strait Islander peoples, the first peoples and traditional custodians of the lands where we live, learn and work. We pay our respects to the Elders, both past, present and future, for they hold the memories, traditions, culture and hopes of Indigenous Australians.

Primary students used their recess hangout time with Ms Lozz last week to make bags as gifts for their mothers
