Enrolment requirement

Murrayville Community College school zone is available on findmyschool.vic.gov.au which provides the most up-to-date information on school zones in Victoria.

Students living within our school zone are guaranteed a place at our school. This is determined based on your child's permanent address.

Our school manages enrolments using the Placement Policy. This is done to ensure that students can enrol in their local school or enrol at another school if there is a place available.

For more information about our school zone, please contact our school. For answers to frequently asked questions about school zones and enrolling in Victorian government schools, visit School zones.
