Murrayville Community College School Insurance

Personal accident insurance for students.

REMINDER – the Department (which includes our school) **does not** have personal accident insurance for students.

If a student is injured at school or while participating in a school activity (including offsite) and requires medical treatment, parents/carers are responsible for all their child's medical expenses. This includes transport costs such as ambulance costs (which may include an air ambulance if considered necessary). Murrayville Community College encourages all families to consider obtaining ambulance cover for all students.

Personal property insurance for staff and/or students.

REMINDER – the Department (which includes our school) **does not** have personal property insurance for staff and/or students.

Items of personal property that are lost, stolen or damaged at school or during school excursions are not the responsibility of Murrayville Community College or the Department. Staff and students are reminded not to bring items of value to school or on school excursions.

Murrayville Community College encourages parents/carers to consider obtaining their own accident insurance for students and property of value that may be brought to school.
